## Durham University Careers Fairs Stall information

## The venue

Thanks for your interest in representing your organisation at one of our careers fairs that we hold throughout the academic year.

Typically, our careers fairs take place on the third floor of the Teaching and Learning Centre (TLC). The building is located within walking distance of the Bill Bryson Library and departments such as Physics, Education, Law and Geography. The TLC is the perfect location for us to welcome you to meet with our students from all faculties.

The TLC is the ideal location for our events with a cafe, ample teaching rooms and space for our students to study.

If you come to one of our careers fairs, all information will be sent to you before you arrive.
